

## Seeds of Change Exhibit (16 Panels)

This exhibit consists of four 4-panel, self-standing units and is shipped in two containers.

### Layout:

The exhibit is designed to be flexible in its configuration. If space is limited, it can be displayed as a one-sided unit with fewer graphics.

### Assembly:

The exhibit requires no special tools for assembly. The steel frame snaps together and the fabric graphics are attached to the frames with wings nuts, included with the exhibit, as shown in the attached drawings. The exhibit is 7 feet tall and may require a ladder for assembly. It will take two people approximately 2 hours to completely assemble the exhibit.

Suggested assembly order:

1. Assemble **Vertical Joints** with male connectors on the ground
2. Assemble **Vertical End Pieces**
3. Lay two assembled **Vertical Joints** on the ground and connect with two **Horizontals**.
4. Attach four (4) Horizontals to frame
5. Attach the **End Piece** to the **Horizontals**
6. Carefully tilt the frame to an upright position
7. Attach **Graphics**

### Packing and shipping:

Each exhibit part is packed in a canvas bag, this helps protect the surface of the steel from being scratched and dented. The exhibit is shipped in one plastic container (17" X 19" X 53" weighting approximately 120 pounds each). Please use *tie wraps* to secure the two locks on the container when packing for return shipping. FedEx labels are included and should be wrapped around the handle of the container. Labels on the side of the container tend to fall off and containers could be lost during shipping. Each container should be insured (Declared Value) for \$2,500.00 for a total of \$5,000.00 for the entire shipment.

Each Section (4 sided frame) total pieces and bags for entire exhibit

- |        |   |
|--------|---|
| 2 each | <b>Vertical Joints</b> M&F (8 pieces) (pack 4 per shipping bag) |
| 4 each | 50 inch <b>Horizontals</b> (16 pieces) (6 per shipping bag)     |
| 2 each | <b>End Pieces</b> M&F (16pieces) (6 per shipping bag)           |
| 6 each | Graphic panels (16 pieces) (6 per shipping bag)                 |
