Weddings
Wedding ceremonies may continue to be held at SGI-USA Centers. If a wedding ceremony is to be conducted at an SGI-USA facility, then the officiant must be an SGI-USA region level leader (from any division, including vice leaders). This is to provide a consistent policy nationwide with regard to wedding ceremonies conducted at our facilities, which are established to support a region or larger organizational unit. For more information, please contact your local zone or territory office.

Please contact your local zone office for the wedding application and upon completion, please have the member submit it to their local zone office, local Buddhist center or territory office, as appropriate.

Memorials
Please contact your local zone office for the memorial application and once completed, please have the member submit it to their local zone office, local Buddhist center or territory office, as appropriate.

In addition, the SGI-USA hosts an annual memorial service (usually in May) at Rose Hills Memorial Park in Whittier, California, for anyone who would like to attend. If interested in attending, please contact the Organization Center at 310-260-8900 or by email at: orgcenter@sgi-usa.org

Estate/Legacy Planning
SGI-USA offers information and options during the estate/legacy planning process:
If a member is interested, the SGI-USA has set aside an area at Rose Hills Memorial Park in Whittier, California, called “The Oasis of Eternity,” where members may choose to be interred.

If interested, please contact Oasis of Eternity: 310-260-8914.

SGI-USA Millennium Fund—If a member is interested in designating the SGI-USA as a beneficiary in their will, trust or other estate planning device, this long-term investment fund is designed to support, expand and protect the financial future of American world peace. This investment fund will provide financial resources for new building purchases, renovations and other expenses while supporting our youth and ensuring our movement continues to serve as a beacon of hope far into the future. If interested, please contact: 310-260-8921 or by email at: estateplanning@sgi-usa.org
