

ORGANIZATION MEMO

DATE: JUNE 12, 2018

MEMO: 2018-ORG-031

DISTRIBUTE TO: District through Territory Leaders, Future Division Leaders, Zone and Territory Offices
FROM: SGI-USA Future Division
SUBJECT: June as “Future Division Month” Toward the Victory of 50K Lions of Justice Festival

Thank you for your warm encouragement and meaningful support of the SGI-USA Future Division members, especially our Junior High and High School [JHHS] members as we prepare for the victory of our 50K Lions of Justice Festival in September. Toward our goal of 6,000 JHHS students attending the Lions of Justice Festival, we want to proceed in tight unity with the entire youth division throughout Future Division Month this June and insure that all SGI-USA JHHS students are able to register to attend the Festival in September. Further, let us encourage each of them to create their own Squad of 6 to register and attend the Festival too.

Future Division Focused Discussion Meetings in June

Please plan June Discussion meetings that welcome and are especially encouraging for high school, junior high, elementary and even pre-school aged members and their friends. Certainly, this would include planning a faith topic for discussion that all people, including those this age, would enjoy talking about and hearing from each other. Future Division members of the discussion group can also;

- Serve as the Emcee for the meeting, share a faith experience, provide an explanation or prepare a skit to introduce Buddhism, make a musical presentation along with other creative ways to support/participate in the success of this month’s discussion meeting.

In commemoration of May 5, Soka Gakkai Successors Day this year, Sensei recently said, “[Let’s] **make the discussion meeting a place to raise the next generation . . . When a future division member shares about an achievement at school, everyone applauds them. With such support, young members grow confident and look forward to attending discussion meetings.**” (May 3, 2018 *World Tribune*, p. 11)
