

**DISTRIBUTE TO:** District through Territory Leaders, Zone and Territory Offices  
**FROM:** SGI-USA Statistics Department - Alex Marcos  
**SUBJECT:** Study Meeting Attendance Update

## NEW UPDATE!

Starting January 16, which is the opening of the January/February 2019 statistics reporting period, we will no longer be collecting monthly study meeting attendance in our online statistics system. District leaders and Chapter Statistics Administrators will no longer see the option to report monthly study meeting attendance via the member portal for district leaders and the online statistics system for chapter statistics administrators.

**While we are no longer collecting monthly study meeting attendance, districts are still encouraged to hold their monthly study meetings.**

This update is allow districts to fully concentrate their efforts on promoting and confirming members and guests for their monthly discussion meetings, which is now the only monthly meeting we will be collecting and reporting attendance for.

## MARCH - STATS OPEN TO DISTRICT LEADERS

In March, SGI-USA will open our online statistics system to all district leaders, which will result in the following:

- » District leaders will be able report monthly discussion meeting attendance by name in their member portal accounts.
- » District leaders will be able to make various types of membership changes.
- » District leaders will have access to key statistics reports.

More details and training instructions are forthcoming.

Thank you very much for your continuous support and we look forward to sharing many more exciting statistics updates in 2019.

Sincerely,

**SGI-USA Statistics Department**
