

SGI-USA ORGANIZATION MEMO

DATE: JANUARY 27, 2021

MEMO: 2021-ORG-021

DISTRIBUTE TO: District through Territory Leaders, Zone and Territory Offices

FROM: SGI-USA Organization Center

SUBJECT: Deferral of Soka Victory District Initiative in 2021

SGI-USA will be deferring the Soka Victory District initiative in 2021 due to the continuation of Covid-19.

There are important criteria that simply cannot be met due to this pandemic. For this reason, we will suspend the Soka Victory District initiative until further notice.

In lieu of this, we would like to ask that Districts continue the formation of Groups as a means to strengthen member care efforts and solidify the infrastructure of SGI-USA.

To date, nearly 3,000 Groups have been formed and many are beginning to hold discussion meetings. Congratulations! Let's continue to build on this momentum in 2021 with great pride and joy!
