SUBJECT: SUA Webinar for Elementary and Junior High School Students (March 28)

In 2020, SGI-USA conducted quarterly, Soka University of America (SUA) virtual information sessions where high school students were able to learn more about why SUA is an amazing place to study. We had over 600 total attendees throughout the year and we are excited to announce that we will continue these quarterly information sessions in 2021 with one exciting update—the first information session of the year will be a webinar that is exclusively for all elementary (ESD) and junior high school students! The details of the first meeting are as follows:

DATE: SUNDAY, MARCH 28

TIME: 10AM HST / 12PM AKDT / 1PM PDT / 2PM MDT / 3PM CDT / 4PM EDT
(approximately 35 minutes)

REGISTRATION: We have create a registration for this webinar, which includes some required information. Please click on the link below to complete your registration:

AGENDA:

- Opening words on the founding spirit of SUA
- Alumni experience
- Innovative virtual tour of SUA
- Video message from incoming class representatives
- Encouragement
- SUA promotion video

IMPORTANT NOTES:

- Parents/legal guardians are also welcome to attend.
- Since many March Youth General meetings are taking place on March 28, if the SUA webinar conflicts with the March Youth General meeting, junior high school students should prioritize the March Youth General meeting.

Thank you for your continued support and we look forward to seeing all of you soon!
