"I hope that you, the students of SUA, will always walk together with the people, infinitely noble, and protect them throughout your lives. Indeed, I hope that you will regard your mission of repaying your debt of gratitude to them as your greatest honor, and that you will study hard and be victorious in all your endeavors."
(Ikeda Sensei, Nov. 15, 2002, *World Tribune*, p. 7)

Thank you for your support and we look forward to seeing you all soon!

Sincerely,
The National Future Division and Parents Group Leaders
