FROM: SGI-USA National Youth Leaders
SUBJECT: YMD and YWD 70th Anniversary Meetings

To the most incredible district through territory leaders of SGI-USA!

THANK YOU for your unceasing efforts to care for and support others during this challenging time. This month, we celebrate 70 years since the founding of the young men's division (July 11, 1951) and the young women's division (July 19, 1951).

To commemorate these significant milestones, we are holding Young Men's Division General Meetings and a Young Women's Division National Conference this month!

We would like to ask for your support in ensuring that not one youth member or youth guest misses the opportunity to celebrate this 70th anniversary together with Ikeda Sensei. Below, you will find more information about both activities.
