In 2022, SGI-USA’s sole focus with all activities will be to strengthen the districts to become the core of our American kosen-rufu movement. ALL activities should be conducted with this single purpose in mind. For this reason we would like all auxiliary and language group activities to serve as a gateway for member and guests to participate and engage in their local district activities.

MANY TREASURES GROUP ACTIVITY GUIDELINES

The Many Treasures Group is made up of all members 65 years and older, regardless of their length of practice, and our long-term goals are for each Many Treasures Group member to:

1. Maintain good health and longevity;
2. Participate freely and joyfully in discussion meetings and other local activities; and
3. Feel that they are in an environment where they can both give and receive support and encouragement.

ACTIVITIES

- One activity monthly or bimonthly at the Region or Zone level.
- Meeting in May or September by Territory
- Meetings can feature study, experience(s), and Q&A/guidance with an appropriate line leader.

COMMUNICATION & SUPPORT

Each organization to establish communication networks with Many Treasures Group members by phone or online ensuring support and member care during these challenging times. Also, to communicate the schedule of activities and details by phone, email, text or via family member or suitable method, especially study and monthly discussion meetings.

WORLD TRIBUNE MONTHLY SERIES

The World Tribune will continue to carry a monthly page and experience focused on the Many Treasures Group. Please feel free to submit your wonderful faith experiences for possible publication to the World Tribune via email at wt@sgi-usa.org.
